Présentation de l'éditeur

Technical English : Vocabulary and Grammar is a reference and practice book for learners of technical English at intermediate level and above. Helps learners increase their knowledge of technical vocabulary and grammar. 30 units cover key technical vocabulary drawn from : Professional activities - health and safety, production and quality ; Company profiles - automotive, pharmaceutical, mining and telecoms. 20 units review core grammar in technical contexts. The glossary covers and defines 1500 keys technical terms. For classroom and/or self-study use. **Biographie de l'auteur**

Nick Brieger has drawn on 30 years' experience of language training and materials writing for professionals to produce a new book for learners of technical English. Alison Pohl teaches specialist and technical English to in-service and pre-service learners. In addition, she has published materials to help students improve their knowledge of professional vocabulary.
